

Join the CheckUP Community and help champion health equity

Stay connected. Stay informed. Stay involved.

Creating healthier communities and reducing health inequities is at the heart of all that CheckUP does. However, this cannot be achieved in isolation. It requires a genuine and continued commitment to working with other like-minded organisations and individuals.

Our membership program strengthens our role as a connector, bringing together a group of people from across the health and community services sector united in a passion for better health for people and communities that need it most.

It is simple to become a member and each membership option comes with great benefits.

Stay connected!

- Expand your networks by regularly engaging with key strategic stakeholders.
- Increase your visibility by having your events, programs, training sessions and job opportunities shared in our eNewsletter.
- Attend free member networking events.

Stay informed!

- Build expertise and better understand the state of the primary health sector and emerging health workforce trends.
- Receive regular CheckUP e-newsletters to keep you abreast of current issues and trends.
- Free copy of the annual CheckUP *Health in Focus* report.
- Leverage and share knowledge, expertise and resources with other member organisations.

Stay involved!

- Strengthen your capacity for action through training and networking opportunities, accessing resources, and sharing knowledge and best practices.
- Provide input into policy development and advocacy initiatives.
- Create organisational efficiencies using our wide range of business support services.
- Nominate a representative to attend and vote at CheckUP General Meetings.
- Provide input into the annual CheckUP *Health in Focus* report.
