

Workforce Evolve

Workforce Evolve helps small businesses grow.

Workforce Evolve helps small businesses unlock new sources of talent and build a positive, productive and inclusive culture so they're able to capitalise on every opportunity.

The program provides **free access to training, tools, templates and personalised coaching** to help business owners and managers build the workforce they need to thrive.

Workforce Evolve is proudly funded by the Queensland Government.

Workforce Evolve

Program features

- **FREE** for Queensland businesses
- Flexible, online training delivered in bite-size lessons for you to access anytime, at your own pace
- One-on-one coaching tailored to support your specific needs
- Practical tools and resources such as templates, guidelines and checklists
- Connections to our expert partners providing specialised services
- Workforce Evolve verification badge (when you complete 6 modules)

Workforce Evolve

Topics include:

- Business planning
- Diversity and inclusive practice
- Workforce design
- Employer branding
- Frontline management tools and resources
- Change management, including adapting to new technology
- Employment essentials

Workforce Evolve

Colomba & Cleaners for Seniors | Sunshine Coast

When Jeanne signed up for Workforce Evolve, she had spent the previous 15 months trying, without success, to recruit the right people for the job. Since completing Workforce Evolve, Jeanne has hired 17 new employees.

“Attracting staff was my number one issue to solve, and the one-on-one mentoring session I accessed helped because it was tailored specifically to what my business needed.”

Jeanne Motteram, Owner and Managing Director
